ACADEMY OF NURSING  
OF SOUTH AFRICA

ACADEMY OF NURSING OF  
SOUTH AFRICA

The Academy of Nursing of South Africa is an independent, non-governmental association of members (Fellows). The Academy is registered as a Non-profit Organisation (Act 1997, Section 13).

## Vision

The vision of ANSA is to recognize, utilize and promote excellence in nursing and midwifery in South Africa and to enhance optimal health care for all South Africans.

## Mission

The Mission of ANSA is to serve the people of South Africa and to contribute to the nursing profession by promoting excellence in nursing and health care through the generation, synthesis and dissemination of nursing knowledge, particularly in specialist areas.

## Values

In all its activities, ANSA is committed to:

- Promotion of excellence in all aspects of nursing;
- Promotion of evidence-based policy and practice in health care;
- Working collaboratively with other organisations and stakeholders who share this commitment.

## Fellowship

Criteria for Fellowship:

- Registered as a Professional Nurse or Midwife according to the Nursing Act, No. 33 of 2005; and
- Made an extra-ordinary contribution to the field of health care in South Africa, evidenced by outcomes and impact on individuals, systems, policies and/or organizations; and
- Evidence of leadership, innovation and scholarship; and
- Potential contribution of the person to the activities of the Academy.

*Any person can nominate any South African nurse for membership if supported by at least two (2) existing Fellows.*
